NAZI WAR CRIMES DISCLOSURE ACT
DATE 2006

DISPATCH		SECRET	REF ID: A6522 267A
TO	Chief, RE		
INFO	CCW/S POL		Mr. Werner SARGENT
FROM	Chief of Case, Bonn		16 June 63
SUBJECT	ELACAF CAVERIE LCIMPROVE HIV Investigation of Werner SARGENT (201-		RE "405" - CHECK IT ONE MARKED FOR DELETION NO REDUCING NUMBER ENCLOSURES CAN BE COPIED BY QUALIFIED ORIGINATOR ONLY
ACTION REQUIRED	PVI		
REFERENCE REF: BONA 25395, 15 Mar 63			

1. On 12 June 1962 MEYER informed us that the HIV, apparently due to pressure from Willi WITHE (see reference), interrogated SARGENT regarding his contact with members of the Soviet Embassy. (WITHE also discussed the case with TAMBLYN a few days prior to our meet with MEYER.) The interrogation was conducted by MEYER and a representative of the LDF/DRU. SARGENT steadfastly denied any clandestine relationship with the Soviets and insisted his contacts were purely social ones. He tried to pass these contacts off as infrequent and casual until forced to admit regular meetings with SHCHERBAKOV's predecessor, SHCHERBANOV, and finally DMITRIYEV. From WITHE's account of the interrogation it appears Subject would only admit to as much as became evident that the HIV knew. The one major point in Subject's favor appears to be his argument that if his contacts with the Soviets had in any manner been clandestine, he certainly would not have met with them regularly at the same apartment in Dusseldorf which was a favorite meeting place of fellow PDPers. WITHE asked the HIV checked and found this to be true. Subject freely discussed his Soviet POW status until 1949 (which was known to the HIV) and also volunteered that his last 9 months were actually spent in an HIV (sic) prison (not known previously to the HIV). Subject flatly denied that he had ever agreed, or had even been asked, to be either an informer or agent during this period.

2. Subject also told WITHE that he knew his phone was being tapped and related the flap covered in reference dispatch. WITHE, apparently with some sarcasm, asked if he thought the Soviets were doing it. ("The KGB has always been discontinued.)

3. The HIV is still not satisfied with Subject's explanations and intends to reinterview Subject again very soon with the assistance of an FBI interviewer.
